

## biographical information

**Elise Bungo**  
**General Manager, Strategy & Integration**  
**Chevron New Energies**

Elise Bungo is the General Manager of Strategy & Integration for Chevron New Energies. In this role she is responsible for accelerating Chevron's lower carbon business solutions, including guiding the overarching business strategy and integration with Chevron's global operations. Elise is based in Houston.

Elise has over 20 years of industry experience and has been with Chevron since 2012, when she joined the company as an Economic Analyst. Prior to her current role, Elise served as a Mergers & Acquisitions consultant on Chevron's Corporate Business Development team.

Elise received her BA from the University of Chicago, her MBA from the University of St. Thomas, and holds the Chartered Financial Analyst (CFA), Chartered Alternative Investment Analyst (CAIA), Financial Risk Manager (FRM), and Sustainability and Climate Risk (SCR) designations.
